# Branded Soap Dispensers

---

Amplify your  
brand, **safely.**

**2020** Collection

# Fully branded. Superior quality.

Our superior quality branded soap dispensers are the perfect way to reach your audience without the need for direct contact.

Manufactured in the UK, our range of branded soap dispensers include the compact, medium and large models, providing a range of options depending on the required environment.

These dispensers are made with strong, robust materials - meaning they will cope with larger footfall environments and commercial settings.

Designed for high capacity locations such as offices, hotels, shopping centres, gyms and sporting arenas, these durable dispensers will withstand both indoor and outdoor conditions.

Branding has never been more important than at this time. Our soap dispensers give you and your clients the opportunity to amplify your brands reach without the need for direct, face-to-face contact.

With customised window colours, unit branding and additional bespoke printing options for floor-standing, desk-standing and wall mounted signage - do not miss this opportunity to get your brand seen and heard.

# Our Models

## Modular 400ml Soap Dispenser

**Our most compact soap dispenser. Perfect for indoor environments such as offices, waiting areas, restaurants and cafes.**

This multipurpose dispenser works with more hand care products than any other on the market including liquid and foam soaps, sprays, creams and gels. It uses interchangeable pumps to allow perfect dispensing of a variety of products.

With a 400ml capacity, it is our most compact option and is designed for positions of passing traffic such as corridors and smaller rooms.

This model can be wall mounted and also works with our free standing and desk standing products (see p.7)

### Colours

Customise your dispensers with the window colour of your choice. Colours available for this model include, clear, black, grey, blue, green, yellow, orange and red.

### Branding

Add your company branding to the front panel of the main soap dispenser unit.

**Additional branding options are available, see page 7.**

### Features

- Dispenser can be branded with your company name or logo.
- Customise your dispenser with the window colour of your choice.
- Suitable for most soaps and lotions on the market.
- Supplied with refillable reservoir.
- Large front window to check stock levels
- ABS plastic.
- All dispensers supplied with screw pack and self adhesive option for easy installation.

### Specifications

Suitability:	Liquid soap, anti-bac gel, disinfectant
Capacity:	Refillable 400ml reservoir
Customisation:	Window panel
Branding:	Printing up to 2 spot colours
Dimensions:	190 x 90 x 98 mm
Weight:	300 g

## Modular 900ml Soap Dispenser

**Greater capacity for higher footfall environments such as gyms, sporting arenas, hotels and shopping centres.**

This larger dispenser also works with liquid and foam soaps, sprays, creams and gels. It uses interchangeable pumps to allow perfect dispensing of a variety of products.

With a 900ml capacity, it is our medium capacity option, with more space to brand your business!

This model can be wall mounted and also works with our free standing and desk standing products (see p.7)

### Colours

Customise your dispensers with the window colour of your choice. Colours available for this model include, clear, black, grey, blue, green, yellow, orange and red.

### Branding

Add your company branding to the front panel of the main soap dispenser unit.

**Additional branding options are available, see page 7.**

Capacity:	Refillable 900ml reservoir
Customisation:	Window panel
Branding:	Printing up to 2 spot colours
Dimensions:	250 x 250 x 115 mm
Weight:	600 g

## Modular 1200ml Auto Soap Dispenser

**Our largest soap dispenser. This model includes hands-free automatic function, perfect for the busiest environments where hygiene is paramount, such as airports, hospitals and schools.**

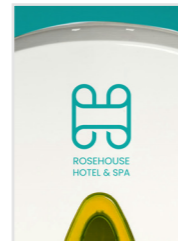

Touch-free soap dispensing encourages better hygiene in any environment and helps monitor the use by controlling the amount of soap dispensed. No electrical fitting is required, as each dispenser is economically operated by C size batteries. It also features an auto-switch function between two battery compartments for longer running times.

To ensure optimum cost savings, the device has a 'sleep mode' and capacitive sensor that prevents accidental soap delivery.

### Colours

Customise your dispensers with the window colour of your choice. Colours available for this model include, clear, black, grey, blue, green, yellow, orange and red.

### Branding

Add your company branding to the front panel of the main soap dispenser unit.

**Additional branding options are available, see page 7.**

### Features

- Automatic, hands free function for increased hygiene.
- Dispenser can be branded with your company name or logo.
- Customise your dispenser with the window colour of your choice.
- Suitable for most soaps and lotions on the market.

Branding:	Printing up to 2 spot colours
Dimensions:	265 x 165 x 102 mm
Batteries:	4 x standard size C batteries
Weight:	700 g

# Stands & Wall Mounting

## Maximise your message with greater reach.

We have a range of stand and wall mounting options available to maximise your brand messages.

## Wall Mounting

**Don't miss this opportunity to reach a larger audience without face-to-face contact!**

Our 400ml and 900ml soap dispensers can be wall mounted along with bespoke signage to carry your brand messages.

**Contact us for details on bespoke signage for wall-mounted units.**

## Free Standing Unit

**Guide users with a custom message above your free-standing soap dispenser unit.**

Our free standing units can also carry an additional sign above the main dispenser, the perfect opportunity to direct your audience.

**Contact us for details on bespoke signage for free-standing units.**

## Desk Standing Unit

**Customise your own desk standing unit to carry further branding to your audience.**

Our desk standing units are not only very convenient for offices and indoor commercial environments, they can also be customised to provide you additional messaging opportunities.

**Contact us for details on bespoke signage for desk-standing units.**

## Antibacterial Gel Also Available

**To ensure fast deployment for your clients or organisation, we have paired our soap dispensers with antibacterial gel, which is also in stock and available upon order.**

This gel is of the highest quality, meeting the guidelines set by the World Health Organisation and containing over 70% by volume of alcohol.

Maintaining hygiene standards and amplifying your brand messages has never been easier, with both hand gel and dispensers available as part of the same order.

For more information on our antibacterial gel, please download our datasheet or contact our sales team.
